DORDT STAFF COMPLETE FOR FALL

A Gift From Rev. Frank De Jong

The display case in the library features a new acquisition. The Rev. Frank De Jong of San Jose, California, has presented a church history map to Dordt College. He has entitled the map "The Rock Whence We are Hewn." He took the words from the Old Testament passage "look unto the rock whence ye are hewn" (Isaiah 51:1) and has applied it to the Synod of Dort 1618-1619. By means of the map, Rev. De Jong has traced the history of the Christian Reformed Church.

Rev. Frank De Jong, now emeritus minister, is known as a veteran home missionary. For nearly thirty years he served as home missionary in Southern and Central California.

TWELVE NEW MEMBERS JOIN FACULTY AND ADMINISTRATION

FOUR PRESENT MEMBERS NOT RETURNING

Dordt's growth continues to call for additional faculty and administrative personnel. Also replacements for staff members not returning are required. Mr. Norman De Jong and Mr. Marlin Vanden Bosch will be on leave of absence. They will study at the University of Iowa and work on the doctoral program. Mr. James Timmer has accepted an appointment to Calvin College. Mrs. Harold Koning plans to discontinue teaching.

The *Voice* in its last issue presented five of the new staff members. The remaining seven are introduced below.

earned additional graduate credits at other institutions. Miss Vander Ark is presently teaching at Denver Christian School. Prior to this she taught at Manhattan Christian School, Lynden Christian School, and Holland Christian School. Her teaching experience was both in the elementary and secondary levels. She will be teaching courses in Principles of Secondary Education, Child Psychology, and Adolescent Psychology.

Mr. Dan Veldman

Mr. Dan Veldman has accepted an administration position as Academic Counselor. His primary duty is recruitment of students. Mr. Veldman is a graduate of Dordt College with an English major. He has taught with marked success the past two years at Central Christian High, Grand Rapids, Michigan, in the department of English. He is married to Betty Vink, Orange City, Iowa, also a graduate of Dordt. Mr. Veldman has a deep interest in his alma mater and has early indicated a desire to associate with Dordt in its recruitment and alumni program. He plans to begin work at Dordt in early August.

Miss Carol Veldman

Miss Carol Veldman will join the English staff. She comes from Hollandale, Minnesota. Her undergraduate work was done at Calvin College where she earned the A. B. degree with a major in English. Immediately following graduation from college she entered the University of Minnesota where she is completing a two-year program in English leading to the A. M. degree. During this time she is engaged in a residence counseling program at the University of Minnesota.

Her first teaching experience will be at Dordt College in September.

Mr. Len Rhoda

Mr. Len Rhoda will join the physical education staff this fall. He earned the A. B. degree at Calvin College and the A. M. degree at Michigan State University with majors in physical education. Presently he is teaching and assistant basketball coach at Olivette Senior High, a suburb of St. Louis, Missouri. Prior to this he taught for five years at Valley Christian High School, Artesia, California. During his tenure at Valley Christian he en-

joyed highly successful years as head basketball coach. Mr. Rhoda is married and has two children. His home city is Lafayette, Indiana. Mrs. Rhoda comes from Fulton, Illinois.

Mr. Hugh Cook has also accepted an appointment to teach English at Dordt College. In the May 1, 1970, issue of the Dordt Diamond we find the following review of Mr. Cook's history which we present.

"He was born in The Hague, Netherlands, and in 1950 he immigrated to Vancouver, British Columbia. While working for his A. M. degree at the Simon Fraser University in B. C., he held a teaching assistantship there. Mr. Cook is presently the vice principal at the London High School at Ontario where he teaches English and creative writing. As a contemporary Canadian poet, he has published much of his work in six different Canadian periodicals and also in many Reformed Publications such as the Torch and Trumpet, The Christian Vanguard, Calvinist-Contact, Credo, Focus, and The Guide."

Mr. Noel Magee comes from Covenant College, Lookout Mountain, Tennessee, where he is presently teaching music. He earned the A. B. degree at Wheaton College and his A. M. degree at the University of Indiana. His work at Dordt will be as instructor of music with special emphasis on key-board instruction. His wife is also a graduate of Wheaton, her major being in violin. With the program underway in instrumental music here at Dordt and the local community, Mrs. Magee's coming is highly welcomed. The Magees have two children.

Miss Karen Bokhoven

Miss Karen Bokhoven has accept-

ed a one year appointment to teach German and English. The May 1, 1970, issue of the Diamond presents the following information on her appointment.

"Miss Karen Bokhoven has been hired directly out of Dordt to hold a position of teaching assistant in German and English. Karen will be graduating this May 29 with a double major in English and German. Before coming to Dordt, she attended Pella Christian Schools in Pella, Iowa. She has had experience in teaching this past semester when she practice taught Senior and Freshman English in Maurice-Orange City High School. She plans to teach both Freshman English and Freshman German at Dordt next year."

DEBT REDUCTION DRIVE ENCOURAGING

We are pleased to give you an encouraging report on our debt reduction drive. The income from the campaign has approximately reached \$29,000.00 to date. A few of the churches are still sending in their results from the drive, leaving about 14 churches which have not sent in their monies to date. It is quite possible that the total may reach nearly \$30,000, when everyone has reported.

God's people have again responded to the opportunity when the needs were presented. Gifts were received from friends in many different areas.

The Board and Administration of Dordt are pleased and appreciative for the fine results indicating your loyalty, your love and generous support for Dordt College.

DORDT GRADUATES ACCEPT POSITIONS

Many of our readers wonder where Dordt College graduates will teach next year. The largest majority of them will teach in Christian schools. As of this date the following information is available: 28 will teach in Iowa, 8 in Minnesota, 7 in Illinois, 7 in Wisconsin, 3 in British Columbia, 3 in Florida, 3 in Indiana, 3 in New Jersey, 3 in New Mexico, 3 in South Dakota, 3 in Tennessee, 2 in Alberta, 2 in Michigan, 2 in Montana, 2 in Ontario, 1 in North Carolina, and 1 in Washington. Teaching assignments include all grade levels and seven major areas in high school.

Seventeen students accepted jobs which include 2 or more grades. High school teaching openings were limited this year.

Seniors graduating from Dordt College have indicated a wide variety of choices as to where they plan to go next fall. The majority of Seniors have accepted teaching positions, some will enter the armed forces, some are undecided at this time and others will continue their education. The following is a list of all Seniors who have indicated what they plan to do:

Student Financial Aids

On June 1, Financial Aid letters were mailed to approximately 300 1970-71 Dordt College students who applied for and have been awarded varying types and amounts of financial aid for next year.

Assistance totaling over \$220,000 was available to students under the following federal programs: Educational Opportunity Grants, National Defense Loans, and College Work-Study.

In addition to the federal programs, which are administered by Dordt College, approximately 149 Iowa students will receive State Tuition Grants next year with a total value of over \$110,000.

Financial aid awards are made on the basis of the "financial need" of the family of the student applying for such aid. Most of the students receiving assistance would be unable to attend college without this financial support.

Commencement - 1970

On Friday morning, May 29, 1970, at 10:00 A.M. approximately 130 students received the A.B. degree. This was the sixth class to graduate from Dordt College since it became a four-year liberal arts degree granting institution.

Speaker for this event was R.J. Rushdoony from Woodland Hills, California. Mr. Rushdoony is a well known theologian-philosopher, author of several books and articles, and a noted lecturer. His subject was "Education for Maturity". The Dordt Concert Choir directed by Prof. Dale Grotenhuis presented two numbers.

Following the graduation ceremony, relatives, friends and graduates enjoyed the special luncheon.

DORDT FACULTY MEMBERS TO TEACH AT UNIVERSITIES THIS SUMMER

Rev. Richard Hodgson has accepted a summer teaching position at the University of Vermont located at Burlington. He will teach a six weeks course in Descriptive Astronomy, an introduction course geared primarily for classroom teachers. This will be his third summer of teaching at this institution.

Dr. James Veltkamp has accepted an appointment to teach in the graduate school at Western Michigan University located in Kalamazoo, Michigan. The summer session will continue for eight weeks. His assignments will be to teach a course in School Curriculum and a course in Sociological and Philosophical Foundations of Education. This is his second summer of teaching at Western. The previous two summers he taught at the University of South Dakota.

DORDT NEEDS A HEAD RESIDENT FOR NEW LADIES' DORMITORY

So that the new dormitory for women may operate efficiently, Dordt College needs a head resident. Dordt is actively seeking a lady who is capable of serving in such a capacity. The college needs a lady who can give the position her full attention.

The position is a challenging one

and is limited only by the graciousness and tact of the person selected. The college provides a modern furnished apartment and salary.

The qualifications are best summed up in the word - mother; a confidant - a counselor. The head resident must be someone who can listen to problems and complaints and then supply a Christian direction: a direction spoken in kindness and given in love.

If you fit in the above picture, please correspond with the Dean of Students at Dordt College.

LIBRARY GIFTS FROM SOCIETIES

Feb. 18 - May 7, 1970

Dordt College truly appreciates the fine support of the many church societies. This source of income for new library books is very significant. Those who attend our societies represent a cross section of the sincere Kingdom minded church members. The moral support and encouragement from the church societies are not to be minimized. Dordt is grateful to these dedicated Christian friends for their gifts.

A Note to 1970-71 Students

Dormitories and residencies will be open to receive students on Monday, Sept. 7th if it is necessary to come then. Dordt College certainly does not encourage a student to arrive on Sunday.

Our excellent food service will prepare meals for you starting Tuesday, Sept. 8th breakfast.

Students who come to Dordt College by plane or bus should be reminded of the following:

1. By plane you will arrive at Sioux City or Sioux Falls. It is imperative that you arrange transportation to Sioux Center in advance of your arrival at the airport. It is impossible to help you if you call when you arrive and expect immediate help. Make arrangements with the college in advance of your arrival.

2. Students who come from Canada should be advised to be very careful in shipping trunks and bags. You may encounter trouble in clearing customs unless the baggage is properly routed. We can't emphasize the latter enough. It is very trying for a student not to have his wardrobe until Christmas.

3. Again - make arrangements for college transportation well in advance of your arrival. Have someone call that you are aboard a certain flight or bus and tell the time of arrival. Write or call R. J. Dykstra, College Representative - Dordt College. Telephone No. office, 722-3771; resident, 722-8081.
